Con [redacted]

25X1A9a [redacted] will discuss

number of points to be resolved here:

① Was there binding legal relationship between deceased & "wife" equivalent to marital status?

② If so, is statement re payment Escrow funds dr. sufficient of testamentary validity?

③ If not, what is status of "wife" re descent & distribution?

(Note: Want to give "wife" house for reasons of security — this may circumvent rights of sisters — also consider child's relationship)
